Please check the intact of equipment and inventory all accessories. Please contact the dealer for any defect and/or missing of accessory.

#	Name	Quantity	Remark
1	Paper Shredder	1x	
2	User Manual	1x	

## 3. Product Specification

Item No.	TI039C
Rated voltage	220V~/50Hz
Current(A)	0.48
Shredding type	Strip-cut
Shredding effect (mm)	6mm
Can disc be shredded?	/
Paper shredding capacity (70g, A4) (sheet)	6
Shredding speed (m/min)	2
Paper feed width (mm)	220

Disc feed width (mm)	/
Paper bin volume (L)	10
Device size (mm)	292×142×315
Continuous work time (min)	3

\*Test data from Deli lab, changes of the test environment and tools may cause deviations.

## 4. Maintenance

1. Unplug the power cord prior to maintenance;
2. Maintenance is limited to the cleaning of external parts only;
3. When cleaning the external parts, caution must be taken not to drip any water droplets into the interior of the shredder.

Note: When cleaning the outer casing of the shredder, please gently wipe with a soft cloth slightly damped with soapy water or detergent. Caution not to let the cloth enter into the feed slot, and do not use solvents such as gasoline, benzene, paint thinner and detergent.

 please take the actual product as standard  
 (Shred type varies among different product number)

## 6 Step-by-step Instructions

---

1. Switch on the 220V power supply in accordance with the voltage specifications of your equipment.
2. Press the " power " switch button and you may start to use the shredder. Upon the completion of shredding operation, please press the power switch "Off " to turn off the unit.
3. If you want to stop the file being shredded, press the manual eject switch "Reverse" button, the shredder will immediately reverse and eject your file.
4. If a "jam" condition occurs due to excessive amount of paper, press the "Reverse" button to eject the excess paper, then reduce the amount of paper and put them in the feeder again.
5. Shredding excessive amount of paper will result in overheated motor issue, and the shredder will stop automatically (which is the uniquely designed automatic protection function to protect the motor from overheating). After the automatic shutdown, the shredder will resume working after around 60-minutes cool down period.
6. If you want to rescue the file which is shredding, please press the button into "0" position to stop shredding, then cut off the power cord. After that, Connect the power cord after cutting off the paper strip(as the right diagram showed), then press the button into " « " position, one hand press the machine, another hand pull out the paper slightly. If you faced a paper jam, also followed the steps above.

## 7. Troubleshooting

Problem	Potential causes
The equipment is not functioning	The plug is not plugged in,no power
	Voltage of the power is too low
	The equipment is overheated and entered into protection mode due to prolonged use
	Paper is too thin or too soft
	Overload issue has not been resolved
The shredder is stalled	Paper jam

---

## WARRANTY CARD

---

Thank you for your purchase of our products. The interests of customers who purchase our products will be protected. For any malfunction due to product quality problems. Please contact authorized local dealers or service centers with this receipt and the warranty card.

**Warranty terms:**

1. For product failures occurring under normal operating circumstances, free of charge repair and spare parts replacement service shall be provided by our company within one year commencing from the date of purchase.
2. Customers are required to present this warranty card and the original purchase invoice to our company upon request for warranty service. This warranty card shall be valid only after the following form is filled out in details and affixed with official seal of the dealer.
3. No free of charge repair service shall be provided in the event of any of the following circumstances:
  - (1) Expiration of the warranty period;
  - (2) Damages caused by improper use, maintenance or storage not in accordance with the requirements of the user manual;
  - (3) Failure or damage resulting from unauthorized disassembly, repair or modification;
  - (4) Failure or damage caused by force majeure;
  - (5) Wear parts or accessories.

This warranty card is being delivered with the product, one card for one product. Please keep this warranty card in proper condition for free warranty service. There is no replacement if lost.
